

Harvest Kids Volunteer Opportunities:

Most volunteer opportunities take place during our service times: Sundays 9 and 11 am and Wednesday 7 pm.

- **Welcome Center Volunteers:** Check-in and Hall Monitor – Our welcome center volunteers enjoy interacting with families as they drop off and pick up their children from services.
 - Check in volunteers are individuals who are comfortable with using technology and able to communicate well with parents.
 - Hall monitors are friendly and safety conscious. They guide new families through the check-in and drop off process. They also ensure the safety of the children’s ministry environment and assist teachers with immediate needs during the service.
- **Teachers** - Each class is taught by a team of dedicated Christians who share the responsibility of teaching the class and building relationships with the students. The primary role of the teacher is to be prepared to teach the content and build relationships with the students in the class. All teachers in a class should work together to plan and facilitate a vibrant classroom environment. All teachers commit themselves to serve in our classrooms following a consistent schedule for one year. Teachers should arrive 30 minutes prior to service start time. Teachers should communicate any needs they have with the children’s ministry staff.
- **Classroom Helpers** – Classroom helpers share the responsibility of supervising classrooms and building relationships with students. Classroom helpers take direction from the teachers to facilitate a vibrant classroom environment. They commit to following a consistent schedule for one year. Helpers should arrive 30 minutes prior to service start time.
- **Teen Helpers** - We encourage teens to serve in our ministry. Teens must be at least 12-years-old or in the seventh grade to serve in Harvest Kids. They must fill out a Harvest Kids’ Ministry application and be approved by the coordinator. They must volunteer with a trained and screened adult. Exceptions may be made for children working directly with their parent. Teens should engage in all training offered to Harvest Kids’ volunteers.
- **Kids Worship Leaders:** Kids worship leaders engage children in worshipping the Lord each week during 2nd service. They serve on a team and practice on Thursday evenings.

For more information or to begin the application process, please email jennifer@harvestfellowship.com.
